### Hartnett's Cubs Need Magician

Series Helps Lad Fight Death

JOHN EDWARD ENGLISH, Jr., 14, is shown in a Chicago hospital. A rabid baseball fan, the lad is keenly interested in the fate of the Cubs in their fight for the world's championship. He is suffering from neuroma, a form of cancer, and his death is expected at any time.

### New Italian Marriage Restrictions Hit Jews

BY THE UNITED PRESS  
Fascist Italy today formulated a broad racial program affecting 70,000 Jews and banning marriage between Italians and non-Aryans. The regulations, announced by the Fascist grand council, were even more drastic than expected inasmuch as they applied to gentiles as well as Jews. Hundreds of Italian and foreign Jews wept as they learned of the council decisions.

In the future, marriages between Italians and non-Aryans will be banned, government employees will be forbidden to marry any foreigners, marriages between Italians and even Aryan non-Italians must be approved by the government in advance.

### CRITES PREPARES TO TAKE SECOND TOBACCO CROP

Two crops of tobacco on the same stalks in one year is the unusual record held by H. M. Crites, prominent Pickaway county farmer and cannery.

Workers are preparing to harvest the second crop. The first crop was cut during the last of July and the early part of August.

Mr. Crites said it is very unusual for two crops to be harvested in one year. He estimates he will have about 30,000 pounds of tobacco this year from 15 acres of land.

The first crop is now being stripped and graded for market. After the leaves have been stripped from the stalks, the stalks are ground and used for fertilizer. The first crop will be sold early in December, Mr. Crites said.

Mr. Crites has been very successful in raising tobacco in recent years. It is grown on his farm just South of Circleville along Route 23.

### HOME RUNS WHIP DEAN

McCarthy's Boys Swagger  
After Winning Pair  
In Chicago

By Harry Ferguson  
Aboard the World Series Special En Route to New York, Oct. 7—(UP)—The traveling circus called the World Series rolled eastward today to open in New York tomorrow. If there is a magician in any of the sideshow tents, Gabby Hartnett of the Chicago Cubs would like to hire him to pull a spark of victory out of the ashes of defeat.

For only a magician can save the Cubs now, preferably one with a low, snaky curve who can keep that ball down where the New York Yankees can't blast it out of the park. The swagging, cocky Yankees go into the friendly home territory today, leading the Cubs two games to none in the series and swearing that they will make it four straight.

Tomorrow, in Yankee stadium, Manager Joe McCarthy sends Monte Pearson against the Cubs. Monte Pearson who is rested and relaxed, Monte Pearson, who threw a no hit game this season, Monte Pearson who, when he is right, comes close to being as effective a pitcher as there is in baseball.

The council also defined a Jew as a person both of whose parents were Jews, or born of a Jewish father and a foreign mother, or born of a mixed marriage and professing the Hebrew religion. Various exceptions, particularly for children of war heroes, were made.

Czechs Overshadowed  
The action of the Fascist grand council, coinciding with a new and graver state of warfare among Jews and Arabs in Palestine, momentarily overshadowed the final phases of settlement of the Czechoslovakia crisis.

Gravity of the situation in Palestine was emphasized by the vigor—

### WASHINGTON AND MILL STREETS BEING WASHED

S. Washington and Mill streets were being "washed" Friday by the service department to remove dust.

The street flusher is being used to remove the coating of dust. L. E. Miller, service director, expected to complete the work Friday afternoon.

After both of these streets were resurfaced, a coating of gravel was placed on them. This gravel created a dust that resulted in two petitions, bearing 80 signatures, being presented to council Wednesday evening.

Application of resurfacing materials on N. Pickaway street will be started next Tuesday, weather conditions permitting. A sealing coat of tar will be applied to the street. This work will be followed by an application of stone, then by a binding compound.

### YOUTH WHO LOANED AUTO LICENSE FINED \$25, COSTS

Robert Davis, New Holland, paid a fine of \$25 and costs to Mayor W. B. Cady, Thursday night, for loaning his driver's license. He was arrested by the State Highway Patrol, Oct. 3.

Paul Davis, also of New Holland, is to report in court Friday night on a charge of driving without a license.

Gerald Horn, Walnut street, paid \$3 in police court Thursday night for running a red traffic light at Mound and Scioto streets.

### HITLER HIT IN FACE BY (OF ALL THINGS) POSIES

BERLIN, Oct. 7.—(UP)—Adolf Hitler was scratched slightly today when he was struck in the face by a bouquet of roses thrown when he was driving to Jaegerndorf, in Sudetenland.

Sudetenlanders were asked to refrain henceforth from throwing flowers at Hitler. Strict orders usually are issued incident to big German Nazi spectacles that flowers must not be thrown at Hitler because of the danger of injury.

### CROWD TO HEAR TWO NOMINEES

Democratic Rally Opens At 8 O'clock In Memorial Hall

A large crowd is expected to attend the Democratic rally starting at 8 o'clock Friday evening in Memorial Hall. All county organizations are cooperating in the gathering which will be featured by addresses by Charles Sawyer, candidate for governor, and Robert Bulkeley, candidate for the U. S. senate.

The meeting is probably the only one which Mr. Sawyer and Mr. Bulkeley will attend in Circleville prior to the election in November.

The Franklin county Democratic glee club, comprised of 40 men's voices, will sing at 8 o'clock with the Sawyer entourage expected to arrive from Portsmouth 30 minutes later.

Mr. Sawyer is scheduled to speak over the radio from Portsmouth at 6:30 o'clock. He is expected to discuss civil service.

### 34 SAVED FROM BURNING SHIP; THREE MEN DIE

PORT EVERGLADES, Fla., Oct. 7.—(UP)—The tanker O. M. Bernuth made for port today with the 34 survivors of the Standard Oil company tanker E. J. Bullock, which exploded, burned and sank 25 miles East of Dry Tortugas yesterday evening with a loss of three men.

Those lost were Thomas Shepherd, boatswain, and Charles Austin, seaman, who were killed presumably by the explosion in the forward part of the ship, and V. L. Shaves, chief cook, who died of injuries aboard a coast guard cutter speeding him to Key West.

First news of the disaster came from the O. M. Bernuth's radio, the log of which told the story.

At 4:30 p. m. the Bernuth messaged: "Ship afire approximately 30 miles East by South of Tortugas, burning badly, no identification. O. M. Bernuth about 10 miles away and proceeding to assist. Cannot tell size of ship due to dense smoke and flames, but apparently a tanker."

4:45 p. m.: "Will reach burning ship in about half an hour."

5 p. m. "Looks like stern of ship" (Continued on Page Six)

### C. A. ANKROM, 64, DIES SUDDENLY IN NEW HOLLAND

Stricken when seated at the supper table, Thursday evening, Clarence Arthur Ankrom, 64, widely known New Holland stock buyer, died a few minutes later. A heart attack caused death. Mr. Ankrom had worked as usual Thursday and appeared to be feeling well.

The funeral will be Sunday at 2 p. m. at the Kirk funeral home with the Rev. C. L. Thomas of near Ringgold officiating. Burial will be in New Holland cemetery.

Mr. Ankrom is survived by his widow, Margaret; a son, Glen of Batavia; a brother, Brice of New Holland; a sister, Mrs. Emma Grabbill of Commercial Point, and three grandchildren.

### STRIKERS HALT PRODUCTION OF PLYMOUTH CARS

1,000 Workers Gather At Detroit Factory, But Only Few Enter

### SENIORITY PACT CITED

Union May Seek 32-Hour Week In All Motor Plants

DETROIT, Oct. 7.—(UP)—A strike of United Automobile Workers union members halted production today at the Plymouth Motor car plant.

Approximately 1,000 workers clustered about the plant gates, but union officials said "only five or six" men entered the plant. The factory has been producing 1939 model cars with a force of about 7,000 workers. U. A. W. officers said the strike was called in protest against alleged violation of seniority agreements. The union also asked for a "spread-the-work" movement with shorter hours for those now employed and increased employment. The plant normally employs 12,000.

### No Violence Noted

There was no picket line, and workers who wished to enter the factory were permitted to do so. A few police were at the scene, but there was no violence.

Shortly after the day shift refused to enter the plant, the unionists began to disperse, planning to return at 2 p. m. when the next shift was scheduled to start.

The union demand for spreading the work here is in line with an announcement by the U. A. W. executive board that the union would seek a 32-hour week in all auto plants. Union officials said the attempt to increase the number of workmen at the Plymouth factory was to prevent thousands of unionists from losing their seniority.

Workers who have been laid off for more than a year lose their seniority. In another month the seniority of many men would be canceled, a union spokesman said.

### BABY REFUSES TO CRY THOUGH NAIL CUTS HEAD

KANSAS CITY, Kans., Oct. 7.—(UP)—Jackie Holt, who is 13 months old and apparently doesn't approve of babies crying, was back at his favorite diversion of playing on the kitchen linoleum today, seemingly suffering no ill effects from a nail which penetrated his head to the depth of an inch yesterday.

Jackie's mother, Mrs. William H. Holt returned to the kitchen from another room. There sat Jackie with a shingle fastened against the top of his head. It was held tightly by a nail, driven into his skull as cleanly as if with a hammer. Jackie had tipped over backward from his high chair and had landed on his head against the shingle and nail.

He was taken to a hospital. The attending physician believed it safe to pull the nail straight out. Jackie's mother agreed, and Jackie sat through the ordeal without shedding a tear.

A careful examination revealed no injury to the brain, and the physician said the only danger now was from infection.

### 37 KILLED, 120 TRAPPED IN TOKYO MINE TRAGEDY

LONDON, Oct. 7.—(UP)—Exchange Telegraph dispatches from Tokyo reported today that 37 had been killed and 120 injured in a coal mine explosion at Yubari, and that 120 miners were trapped 7,000 feet below the surface and their plight seemed hopeless.

### Pancake King and the Queen

WINNER of the world's pancake eating championship held at Winona, Minn., Adolph Bouska, better known as "Eskimo Pete", gets an added thrill by having the honor of presenting a cup to the pancake queen, Ruth Fakler, during the celebration of the annual Winona pancake days festival. Bouska downed 44 steaming flapjacks in 30 minutes to win the title.

### HELEN KELLER TO 'SEE' FIRST GAME SINCE 1903

CHESTER, Minn., Oct. 7.—(UP)—Helen Keller, noted blind author and lecturer, will "see" her first football game in 35 years tomorrow.

She said today she will attend the Minnesota-Purdue game at Minneapolis with her traveling companion, Polly Thompson, and Rochester friends. She attended her first football game when a student at Radcliff college in 1903.

She has been a patient at the Mayo clinic for several days for a checkup after an operation which she underwent last Spring.

### REFUGEES SAY HITLER TO TAKE CITY OF DANZIG

HOBOKEN, N. J., Oct. 7.—(UP)—Fear that Hitler was about to take over the free city of Danzig where they amassed a fortune in grain and real estate drove the 14 members of the Jewish Ankers family to this country, they said on their arrival today.

The family, consisting of three brothers, their wives and eight children, arrived on the 10,704-ton passenger-freight steamship Nordam of the Holland-America line, making its maiden crossing from Rotterdam and Plymouth.

Mrs. Arthur Anker, speaking for the group, said it was "possible that Hitler will take over Danzig within three months."

The family, she said, had acquired business and real estate holdings worth more than \$1,000,000 in the Danzig district but in selling out had lost almost half of their property's value. The Ankers, who brought with them a combined letter of credit for \$100,000, hope to buy a large farm near Los Angeles similar to the one they occupied outside Danzig.

"We don't want to enlarge the Jewish ghetto in New York or any other big city," Mrs. Anker said. "We don't want the same thing—anti-Semitism—to happen over here."

### OHIO SALES TAX RECEIPTS DOWN BY 10 MILLIONS

COLUMBUS, Oct. 7.—(UP)—Sales tax revenues collected by the state this year are approximately \$10,000,000 less than the receipts for the same period in 1937, according to figures made public today by State Treasurer Clarence H. Knisley.

For the nine-month period ending Oct. 1, the total receipts from the sales and use taxes amounted to \$27,372,147, as compared with \$37,104,875 for the same period in 1937.

Tax receipts from the sale of automobiles during the first nine months this year totaled \$3,020,925, as compared with \$6,762,717 during the same period last year. Enforcement of the law is almost perfect in this classification because tax stamps are necessary to get a certificate of title.

### FOREIGN SPIES WORRYING F. D.

Executive Studying Means To Combat Agents' Reported Busy

HYDE PARK, N. Y., Oct. 7.—(UP)—President Roosevelt said today that he is concerned over the activities of foreign spies in America and is studying means of combatting them.

The chief executive told newspapermen that he talked over the spy situation this week with Lamar Hardy, United States district attorney for New York.

Hardy, who conferred with the President here, is prosecuting a German spy case that soon will go to trial in New York City. He recently returned from Europe, where he went to obtain information in connection with the case.

Mr. Roosevelt said that foreign agents activities presented a national problem without question. He added that the government's objective was to separate two forms of activities by foreign government.

### ROYAL AIR FORCE BOMBER FEARED DOWN IN OCEAN

LONDON, Oct. 7.—(UP)—Fifty airplanes and dozens of ships today searched the southeast coast for a big Harrow twin-engined Royal Air Force bomber which disappeared without a clue to its fate.

The air ministry said there was "little hope that the machine or its crew of five" would be found. The ministry believed the ship had fallen in the sea.

The loss climaxed a disastrous day for the R. A. F. Two other Harrow bombers were destroyed by lightning yesterday without loss of life as the crews of five each took to their parachutes. A smaller bomber crashed in the hills near Llandudno, Montgomeryshire, killing three aviators.

The Harrow bombers are standard machines being delivered under the R. A. F. expansion plan at a cost of about \$75,000 each.

### HUSBAND GAVE \$350 TO CHURCH; DIVORCE ASKED

CLEVELAND, Oct. 7.—(UP)—Mrs. Hattie Harris asked a divorce today from her husband, Lewis, because "he is obsessed with an unusual amount of religious fervor which caused him to give \$350 to a church."

### THREE STEERS FOUND

Sheriff Charles Radcliff was notified Friday by a Pickaway county farmer that three stray steers are being held for the owner. The owner is asked to contact the sheriff's department.

### BLAST STRIKES FATHER OF TWO IN FACE, CHEST

Frank Gillespie, Columbus, Dies On Way To Office Of Village Physician

### BROTHER-IN-LAW SHOOTS

Coroner Terms Fatality Accident Following Inquiry

Frank Gillespie, 27, of 371 Welsh avenue, Columbus, was fatally wounded Thursday about 6 p. m. in a hunting accident on the farm of William Peer, Walnut township, about three miles northeast of Ashville.

Mr. Gillespie, father of two small children, was shot accidentally by his brother-in-law, Jesse Fogle, 22, of 2411 S. Seventh street, Columbus. He received the charge of a 16-gauge shotgun in the face and chest. A verdict of accidental shooting was returned by Coroner C. E. Bowers.

Mr. Gillespie, Fogle and Ernest Butz, 21, of 653 Southward avenue, Columbus, all employees of the Federal Glass Co., Columbus, had been squirrel hunting in a woods. The men had separated. Butz returned to the auto parked about a half mile away when darkness began to fall.

### Fired at Movement

Fogle told officers he noticed a movement by a tree and fired. Mr. Gillespie was sitting beside the tree. As he stood up he said "You shot me," officers were told. He died on the way to the office of Dr. L. C. Schiff in Ashville.

Mr. Gillespie was carried from the woods by Fogle, Butz, Mr. Peer and Joe Weismiller, Columbus, a hunter. While being taken to Ashville, Gillespie told his friends he was unable to see out of his left eye. Officers said Fogle was about 15 yards from Gillespie when he fired.

### Widow, Children Survive

The victim is survived by his widow, Mary Fogle Gillespie, and two children, Virginia, 4, and Robert, 1. The body was removed to the funeral home of Cook & Son, Columbus, pending arrangements for services.

The fatality was the first hunting accident in Pickaway county this season.

Sheriff Charles Radcliff, Deputy Earl Weaver, Prosecutor George E. Gerhardt and Dr. Bowers investigated the mishap.

### GOLD IMPORTS IN SINGLE WEEK SET NEW MARK

WASHINGTON, Oct. 7.—(UP)—The commerce department reported gold imports of \$204,844,905 in the week ended Sept. 30, the highest since the department began keeping records in 1933.

Virtually all of this gold had left Europe before the war crisis was dissipated.

The greatest part of the imports came from the United Kingdom—\$12,792,670.

Other large gold shipments in that week included: Canada, \$30,052,543; Netherlands, \$29,508,569; Sweden, \$3,840,000; and Japan \$11,747,504.

At the same time the commerce department's records showed that approximately \$8,600,000 in Chinese silver came into the United States by way of France and England.

### N. L. R. B. ASSAILED

CONVENTION HALL, Houston, Tex., Oct. 7.—(UP)—Joseph A. Padway, chief counsel of the American Federation of Labor, today attacked the National Labor Relations board and warned that it must reverse decisions guided by the "rule of favoritism" to the C. I. O. or "congress will do so."

## DEEP SEA DIVER TO APPEAR FOR KIWANIS CLUB

Robert Zimmerman, Holder Of Numerous Records, To Show Curious

### TALK SECOND IN SERIES

Member Of Canadian Olympic Team In 1908-1912 Has Had Wide Experience

Magnificent coral gardens of the deep—deadly sharks and barracuda—long lost Spanish galleons and a score or more of little known and mysterious objects of the ocean's bed will be vividly portrayed Monday at 8:30 p. m. by Robert M. Zimmerman in his fascinating talk "On the Bottom of the Sea." Mr. Zimmerman will provide the second in a series of Fall Festivals sponsored by the Kiwanis club in the high school auditorium.

Mr. Zimmerman, university graduate, Olympic swimmer and deep sea diver, has had a remarkable marine experience. He played an active part in the making of such underwater motion pictures as "Twenty Thousand Leagues Under the Sea," "The Mysterious Island" and several others of recent release.

"Bob" Zimmerman is a colorful personality. He has won 33 national championships in swimming, diving and canoeing. He was a member of the 1908 and 1912 Canadian Olympic swimming teams and is the holder of several world records.

In 1914 Zimmerman paddled a canoe from Montreal to Chicago, and ten years later made a similar trip from New York to Louisville. It is said that Zimmerman is the only white man who has "shot" the rapids of the St. Lawrence from Kingston to Montreal in a canoe.

A case of interesting deep sea curios which will be on display during Mr. Zimmerman's visit will be of especial interest to the audience.

Single admissions will be on sale at the auditorium door. Proceeds from the festival series will go into the civic club's fund for the benefit of underprivileged children.

### MANY FISH DISTRIBUTED

Two truckloads of fish were distributed in county streams Thursday by Clarence Francis, conservation officer. Two thousand bluegills were liberated in the canal. The other fish were bullheads. Eighteen hundred were distributed in the canal, Deer creek and Little Walnut creek.

Dairy cows use a certain amount of food for body maintenance; and unless more than this amount is supplied, the ration is used for overhead expenses and not for production costs.

Frank Hudson has been granted a steam or fireman's license by the state board, and is now familiarizing himself with the heating equipment at the school building of which he is janitor and caretaker. He succeeds S. C. Allison who has had several years' service there and who is giving Mr. Hudson the assistance he needs in learning the several parts of the heating plant.

Cecil Noecker, at headquarters Thursday with his not-yet-well broken shoulder, was telling about the squirrels he was bagging with that good right arm and hand trained to use a revolver. Says he can bring 'em down most every time at any reasonable distance. The squirrel shooting season closes with Monday, October 10.

More and more corn is finding its way to the grain elevators fresh from the pickers. In the total, thirteen corn pickers have been sold by our two farm implement dealers here and which will all be in use very soon. These 13 probably do not represent more than one fourth of what will be in use in the county. The individual corn husker (person) who in former years has depended upon corn husking as a part of his livelihood, is not so pleased with the new way of harvesting the corn crop. But in our occasional

Ashville — If they are not already on the way, filled out properly and signed, it will be too bad, for the rail carrier applications must be in Washington Friday. There are about an even fifty of them and it will take some little time to notify all the "appliers" when the "big day" is to take the examination and where. Better get that old grammar and speller down and be "good and posted" on that tough stuff they're sure to hand out. That "Folly to be wise" statement somebody handed out a long while ago, works well yet.

Ashville — Those pumpkins not gathered in yet by our cannery, and out in the corn field last night, are well covered with frost this morning, the first real one for the season. . . . The Boggs Brothers with their movie show at the U. B. church, Thursday evening, had plenty of patronage. The picture showed the inside workings of the Ohio penitentiary. The picture was shown at the Washington and Walnut schools Thursday afternoon. . . . A third alley has been added to the two in use last season at Brinker's Recreation Place in the Messick (Geiger) building. Monday is starting-season day.

COLUMBUS, Oct. 7 — Miss Frances Perkins, Secretary of Labor, will attend the convention of the Order of Railway Conductors of America and their auxiliary, to be held in Memorial Hall, Columbus, Oct. 13 to 16. Miss Perkins will address the convention on Saturday afternoon.

It is expected 5,000 men and women representing every state of this country and all Canadian provinces will attend. Special cars of the west coast will be made up into a convention train headed for Columbus, at Denver. Eastern cars will concentrate at Philadelphia, making up a special train.

The convention marks the 70th anniversary of the order while the auxiliary will celebrate its golden jubilee with fitting festivities.

### O. N. G. TO HOLD THREE DAY MEET IN COLUMBUS

COLUMBUS, Oct. 7.—The Ohio National Guard association will hold a state meeting at the Neil House, Columbus, Oct. 14 to 16, with Col. Louis Brown, of the adjutant general's office, in charge of the program. Governor Davey will give the principal address at the banquet Saturday evening. Lieutenant Colonel Roy D. Prushing will preside. Brig. Gen. Emil F. Marx also will be heard.

### WALLACE BEERY STARS

That roisterous drama of Mexico's most famous bandit chieftain, "Viva Villa!" starring Wallace Beery with his brother, Noah, in support is the Radio Theatre's offering Monday, Oct. 10. Cecil B. DeMille is the producer of the program that is broadcast over the Columbia network as 9 p. m.

The radio adaptation will be made from the movie script by Ben Hecht which starred Wallace Beery a few seasons back. The original was written by Edgum Pinchon and O. B. Stade.

### "HELLO STRANGER"

Fibber McGee is going to meet another celebrity in Wistful Vista when Sam "Hello Stranger" Schlepperman visits him during his broadcast over an NBC-Red network, Tuesday, Oct. 11, at 9:30 p. m.

Listeners are advised to fortify themselves with dictionaries for when the great McGee, Schlepperman and Nick DePolopulus get together and start mixing stories and dialogue, anything can happen—and probably will. It will be Schlepperman's first visit away from Jack Benny's program.

Fibber, as usual, will be assisted by Hugh Studebaker as Silly Watson, Bill Thompson as the Old Timer and Nick DePolopulus, Harold Peary, Harlow Wilcox, Donald Novis and Billy Mills and his orchestra.

### CHOIR WITH HEIDT

The world-famous choir of "The Church of Transfiguration," bet-

ter known as "The Little Church Around the Corner," will be introduced to the air audiences by Horace Heidt on his Brigadiers program Sunday night, Oct. 16 over an NBC-Red network at 10 p. m.

The choir consists of 45 voices, under the direction of Franklin Coates, who is also the organist. The Reverend Harold F. Lemoine will also be heard on the broadcast.

This actors' church, amid the trees and quiet of a noisy city, at Fifth Avenue and 29th Street, is one of the landmarks of New York and is known the world over. Here the stars of the stage, to the accompaniment of the choir, have been married. And here nearly all of the theatre's people, great and small, have had the last rites performed. Joseph Jefferson, of "Rip Van Winkle" fame, is buried here and is responsible for the name "Little Church Around the Corner."

## FINES OF \$3,685 ASSESSED AFTER CHECK OF GAME

COLUMBUS, Oct. 7 — Fines totaling \$3,685 were assessed by the courts last week as a result of road checks set up by officers of the Division of Conservation. In addition to those caught possessing more than the legal limit of squirrels, in the road check, many other illegal hunters were arrested in the field by conservation law enforcement officers.

Commissioner L. Wooddell, commenting on the arrests made last week at Circleville, Marietta, Lancaster, and Washington C. H., said: "It's too bad that people must be fined for their offenses against the game laws, yet, if we did not make a concerted drive to enforce the laws, the game in Ohio would be annihilated in a short time, and those who keep the laws would have no hunting."

Wooddell said that every effort will be made to apprehend all those who violate the law, whether it be by taking more game than is permitted, hunting without license, failure to display the hunting tag on the back, or shooting game out of season. "It is

our duty to protect the game of Ohio and the interests of the real sportsmen of the state who observe the laws," said Wooddell. Sportsmen who intend to hunt should make it a point to secure copies of the game laws as they apply to regulations regarding hunting, bags, and other pertinent information relative to hunting. In this way, mistakes which might prove costly may be avoided, and the sportsmen can indulge in his sport without worry.

## JACKSON POLICE OFFICER KILLS RESISTING MAN

JACKSON, Oct. 7.—(UP)—City Patrolman John Bruce, 65, shot and killed Fred Altherr, 38, in a street altercation early today when the policeman attempted to take Altherr to the city jail.

Bruce, appointed an officer Sept. 1 to check beer parlor disturbances, told Sheriff C. C. Cramer he fired in self-defense after Altherr resisted arrest on an intoxication charge. The sheriff, Coroner Charles Gaskill and Police Chief C. W. Jacobs started an investigation.

# HEDGES CHAPEL HAS DEDICATORY SERVICE SUNDAY

Superintendent Of District To Speak At 10:30 Worship

## OTHER PASTORS LISTED

Homecoming Program To Be Featured In Afternoon

Plans for the homecoming and dedicatory program at Hedges Chapel, Sunday, were announced Friday by the Rev. Walter C. Peters, pastor.

Church school will be at 9:30 a. m. Dr. Ira Jones, superintendent of the Chillicothe district of the Methodist church, will preach.

At noon a covered dish dinner will be served, followed by a quarterly conference at 1:30 p. m.

The homecoming program, featuring the church history, dedication of the new church hymnals, and remarks by former pastors, will be held. There will be special music for all service.

All former members of the church, their friends and all interested persons are invited to attend.

## KINGSTON

The Garden Club met on Tuesday afternoon at the home of Mrs. Philip Gay with Miss Marie Snyder, Mrs. W. A. Placier and Mrs. William McAlpin assistant hostesses.

Mrs. Frank Haynes, the secretary, called the roll and read the minutes of the September meeting. Mrs. May McCullough reported for the nominating committee as follows—president, Mrs. Edwin H. Artman; vice president, Mrs. Donald E. Whitel; secretary, Mrs. Haynes; treasurer, Miss Katherine L. Brundige. An official transportation committee was appointed as follows, Mrs. McCullough, Mrs. Haynes, Mrs. Robert Brundige, Mrs. J. P. Gardner, Mrs. Whitel, Mrs. Carson Dresbach.

Plans for the Regional meeting to be held on Thursday, Oct. 13 were discussed.

It was voted to plant ever-bearing climbing roses on a new fence on the south side of the school grounds. The new president made a few appropriate remarks and appointed the following program committee, Mrs. Dennis H. Dreishbach, Mrs. Alice Riegel, Mrs. Ralph Head, Miss Josephine Brundige and Mrs. Carson Dresbach.

Kingston—Mrs. Katherine Kennedy Brown of Dayton and Mrs. Mary Forrest of Cleveland called a state-wide Rally of Republican Women with morning and afternoon meetings on Tuesday, Oct. 4 held in the Deshler-Wallick hotel in Columbus.

Among those attending from Ross county were — Mrs. Minnie McCauley, Mrs. Albert Maag, Mrs. Curtis Reeder and Misses Katherine L. Brundige and Jessie Dresbach.

Kingston—Mr. and Mrs. J. O. Senff entertained on Sunday the following guests at a 12:00 o'clock dinner—Mr. and Mrs. Nolan Ross and two daughters Carlene and Joanne, Mr. Ephraim Ross, Mrs. Columbia Ross, Mr. and Mrs. Elmer Dodd and daughter Evon and Mrs. Rose Freeman who remained for a longer visit.

Kingston—On Sunday Mr. and Mrs. Theodore Yapple and son Teddy of Columbus, Mr. and Mrs. W. C. Boecher, Mr. and Mrs. Harlan Dresbach and Mr. and Mrs. H. E. Yapple enjoyed a picnic at Cantwell Cliffs in Hocking county.

Kingston—Carey Withgott of Springfield was called here on account of mother, Mrs. Mary R. Withgott, who broke her right hip, on Saturday being taken to Chillicothe hospital.

## Spiritual Worship

"BRASS TACKS" ON THE SUNDAY SCHOOL LESSON

(The International Uniform Lesson on the above topic for Oct. 9 is Exodus 20:4-6; 32:1-8; John 4:19-24, "Golden Text being John 4:24, "God is a Spirit; and they that worship him must worship in spirit and truth.")

By DR. ALVIN E. BELL

"THOU SHALT NOT make unto thee a graven image, nor any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: thou shalt not bow down thyself unto them, nor serve them; for I, Jehovah, thy God, am a jealous God, visiting the iniquity of the fathers upon the children, upon the third and upon the fourth generation of them that hate me, and showing loving kindness unto thousands of them that love me and keep my commandments." In these words God expressed his regard for spiritual worship. When any so-called aid to devotion diverts attention of the worshiper from God to itself it becomes a substitute for God condemned by this commandment.

### Our Mammon Worship

This command strikes not only at the crude and cruel idolatry of paganism, but at the cultured, perhaps none the less cruel, idolatries of our civilized materialism. Jesus said "Ye cannot serve God and Mammon." When money is permitted to become an end desired instead of a means employed for the glory of God and the expression of love in the service of our neighbor, it becomes a graven image, a golden calf as abominable to God as was the golden calf. Aaron led the Israelites into worshiping. Just because it is the idol of our hearts' devotion makes it none the less an idol, and none the less pagan in our materialistic chase of what our new paganism

has even come to call "the almighty dollar."

Other things than money may become our pet idolatry. That in the pursuit of which we stifle and stultify the law of God in our conscience for the satisfaction of our ambitions or appetites, "the lust of the flesh and the lust of the eyes, and the pride of life" becomes our idolatry. It may be a patriotism that defies the clear will of God in the matter of the rights of weaker nations, feeling that the state can do no wrong, and therefore shouts, "My country, right or wrong, but still my country." It may be a social code that stifles conscience by saying, "Everybody's doing it", and, to be in the swim casts morality aside. It may be an economic system that idolizes profits and dividends, salaries and wages without consideration of our duty to God or our neighbor as we hide behind the idol on which we engrave the text, "Business is business." All these and hosts of others represent the polytheism of our polite and cultured materialism.

### The Center of Gravity

Where is the center of gravity of our hearts' desires, in things or in God? God is jealous for our undivided love. Israel danced in shameful licentiousness about Aaron's golden calf, and brought down God's righteous judgment upon the nation. We think that we have improved the technique as we point to the works of our hands and cry, in action if not in words, "These be thy gods which will deliver thee, O America." "God is a Spirit; and they that worship him must worship in spirit and truth." We may worship him in spirit and truth at our business and with our business provided the center of gravity of our hearts' devotion is always kept in him and him alone and not in our business or the works of our hands.

### TO ELKS, COUNCIL, SCHOOL BOARD

#### COOPERATORS:

When leaders of Cir-

cleville organizations get together to

put over a project, it is usually completed

in a speedy and efficient manner. The

suggestion by the B. P. O. Elks two weeks

ago that traffic lights be placed at Mill

and Corwin streets to protect school

children from the dangers of heavy traffic

has already started to bear fruit. The

antlered herd, city council and board of

education have agreed to share cost and

expense of the traffic lights, which may

save some lives during the hours that boys

and girls are going to and from school

classes. Traffic will move along unimped-

ed during hours that children are not

passing across the busy Court street inter-

sections. The Elks lodge is contemplating

other projects of more or less similar

nature to help the community. The slogan

of the national lodge this year is com-

munity welfare, with all subordinate

lodges urged to do everything they can to

better conditions in their home towns. A

highway safety program is being carried

through from last year. Much can be done

in Circleville and, with Elks, council and

board of education joining hands, much

will be done in the next year.

CIRCUITEER.

### TO THE SERVICE DEPARTMENT

#### EMPLOYEES:

Residents who presented

petitions to council this week about

"dust storms" on S. Washington and Mill

streets are justified in their complaints.

The gravel placed on top of the resurfaced

streets creates a nuisance that should be

immediately corrected. I hope that when

N. Pickaway street is resurfaced the coat-

ing of gravel is either eliminated or some-

thing is used to prevent conditions similar

to those on the other improved streets.

CIRCUITEER.

### TO POLICE DEPARTMENT

#### OFFICERS:

To the officer who hailed a

group of boys into court to receive an

object lesson in how not to operate their

bicycles, go orchids this week. That

policeman may have saved several young-

sters from injury either to themselves or

others because of carelessness. Circleville

has a bicycle ordinance, drafted to benefit

all who ride the vehicles. Enforcement of

the various provisions of this legislation

has been lax, but there is still hope. It is

certain that all the boys who appeared in

police court to hear lectures from execu-

tives there will be more careful to obey

the ordinance from now on. A few more

lectures for the benefit of those who ride

without lights, on sidewalks, on the wrong

side of the street, two on a bicycle and

through traffic lights would do a lot of

good.

CIRCUITEER.

### TO MOTORISTS

#### FRIENDS:

If you want an enjoyable trip

this week-end, plan to visit the hill

districts surrounding Pickaway county.

During the last week the trees have been

rapidly taking on their gayest fall hues.

By Sunday they will be beautiful, observ-

ers believe. If you have never visited the

hills of Central and Southern Ohio in the

Fall, you may expect an unusual treat.

CIRCUITEER.

### TO FARMERS

#### RESIDENTS:

During the period from

Oct. 7 to 13 a series of community

meetings will be held throughout Pick-

away county to elect township committe-

men to administer the 1939 farm program.

Arrange to attend the meeting in your

community and take part in the election

of your representatives. In addition to the

election, some provisions of next year's

program will be discussed. Full details

of the program have not been announced.

CIRCUITEER.

### TO SHOW DIRECTORS

#### GENTLEMEN:

At your next meeting I

hope you give some consideration to

the suggestion that the pumpkins be placed

in a new location. In recent years they

have been in the block between Watt and

High streets. Since we are holding a

Pumpkin Show, they should be in a location

more visible in the center of the celebration.

Some visitors come to the festival and

never see the pumpkin exhibit. The display

should be moved to a better location.

CIRCUITEER.

### TO VIRGIL CRESS

#### PRESIDENT-ELECT:

The Kiwanis club

honored you this week by electing you

to serve as president during the next year,

a post you deserve because of efforts in

the interests of the club over the last

several years. The position requires much

time and much attention, and I urge you

to meet with other newly-elected officials

as soon as possible to work out a definite

program for the year's work. Robert Ter-

hune, the retiring president, has been an

excellent official and the club has moved

along in efficient manner during 1938.

You have many projects to promote, in-

cluding that for underprivileged children

of the community. This work should be

given the attention it deserves.

CIRCUITEER.

### TO HEALTH OFFICIALS

#### GENTLEMEN:

Numerous complaints

have been made recently by residents

of the East end of the city concerning

odors from a feed lot located in that dis-

trict. Such a condition should not be per-

mitted within the city limits. Some

residents find it impossible to keep doors

or windows open when the breeze is blow-

ing a certain direction. Health officials

should investigate the matter and make

some immediate corrections.

CIRCUITEER.

## World At A Glance

—By—  
Charles P. Stewart

Having been so conspicuously

successful in defying President

Roosevelt's attempted purge, Senator

Millard E. Tydings is begin-

ning to be touted as a 1940 presi-

dential possibility. This talk is

hokey. Millard will not be a presi-

dential factor in the Democratic

or any other party convention in

1940 or 1944 or 1948 or ever.

Already renominated, he will be

re-elected to the senate in Novem-

ber. He will continue to be quite

prominent among his fellow senators.

Doubtless, he also will continue to

be, anyway for the coming two

years, a serious New Deal nuisance.

But he won't be picked even to

run for the White House, let

along getting into it.

Tydings is smart, interesting

and personally very likeable to

folk he comes in close contact with

—pretty "tony" folk generally. He

hasn't mass appeal, however. Prac-

tical politicians know it. They

make occasional mistakes, as in

the case of Winfield Scott Han-

cock, whom the Democrats chose

presidentially in 1890, as in the

case of John W. Davis, in 1924, and

maybe in the case of Alf M. Lan-

don in 1936. All these were esti-

mable individuals, but politicians

ought to have realized that they

were presidential unsuitables, and

they WOULD have realized it but

that they weren't well enough

acquainted in advance with Han-

cock, Davis or Landon. They do

realize in advances that Millard

hasn't it in him to catch the mul-

titude's imagination. They realize

it because the Marylander's record

in the senate has informed them.

\*\*\*\*\*

"OVER-ARISTOCRATIC"

I don't say that he's too con-

servative; my observation is that

quite a few so-called conservatives

are essentially, middling good lib-

erals. But Tydings, at least sur-

face, is a bit over-aristocratic.

He looks it and he acts it. He'd

rub any "typical prairie state" the

wrong way inevitably.

Oh yes, he beat the purge, but

that was in Maryland—which is

local.

For that matter, he might not

have done so well in Maryland if

President Roosevelt had kept out

of the campaign. Early in the

fight the betting was about 49 to

51 that David J. Lewis would cap-

ture the Free State's Democratic

senatorial nomination—which is

tantamount ("tantamount", as com-

mentators somewhat tiresomely

express it; "equivalent" would be

a better word) to election. "Davy"

Lewis thought so himself, and

more than invited the White House

not to bother him. His invitation

wasn't accepted, and we know

what the result was.

Incidentally, of course, Tydings

had the Maryland Democratic

state machine's support, which is

an asset.

What I mean to say is that: Mil-

lard's Maryland victory doesn't

mark him as a Democratic presi-

dential possibility in 1940. As a

New Deal candidate his chance

is approximately as good as an

President Hoover's. Or as an ex-

ti-New Deal Democrat? Nope!

The Democratic anti-New Dealers

at least will try to hold Democracy

### M. E. Church Day

The Women's Home Missionary society of the Methodist Episcopal church opened the monthly church day with its session at 10 a. m., Mrs. F. E. Barnhill, presiding.

The devotionals were in charge of Mrs. Fred R. Nicholas, the theme, "My Country".

During the business session, mention was made of the National W. H. M. Convention to be held in Indianapolis, Ind., Oct. 12-13. The Chillicothe District meeting will be held in First Church, Lancaster, Tuesday, Nov. 1. Circleville society is included in the membership of this district. Mrs. Charles F. Bowman and Mrs. Allie Rittinger were received as new members.

Mrs. Lawrence Johnson was program leader and presented Miss Patty Bennett, who played two piano solos, "Valse" and "Valse Mystique". Mrs. Johnson reviewed the play, "Methodist Women Look at the World."

The first chapter of the new study book, "The American City and its Church" was reviewed by Mrs. C. C. Watts, the chapter being entitled, "We Look at the City."

Lunch was served at 11:30 o'clock to about 60 visitors. The business session of the Ladies' Aid society was called to order at 1 o'clock by Mrs. G. H. Adkins, president. Plans were discussed for the meals which the society plans to serve at the church during the Pumpkin Show.

Price, another member of the local chapter, was appointed color bearer, both being installed at the ceremonies late in the afternoon which followed the business session.

The district convention of the organization will be held in 1939 at Fredericktown.

In addition to Mrs. Tolbert and Mrs. Price, other members from Circleville who attended the convention were Mrs. James Trimmer, Mrs. Irene Newton, Mrs. Cora Coffland and Mrs. James Carpenter.

**Revolutionary Patriot Honored**  
Members of the Pickaway Plains chapter, Daughters of the American Revolution, and members of the Millar family in Pickaway county will be interested to know that the grave of Isaac Millar, a patriot of Revolutionary Days, has been marked with the bronze marker of the National Society of the D. A. R.

He lies buried nine miles south of Romney, W. Va., on the plantation given him by his father in 1776, which "consisted of 433 acres lying in Hampshire county, W. Va. on the south branch, which land was received by grant from the Crown, and known as Lot 4, granted by Lord Thomas Fairfax, Duke of Cameron to William Millar, June 15, 1749."

Michael A. Millar, under whose direction the cemetery has been restored, and other descendants of this ancestor attended the ceremonies incidental to the dedication.

William Millar was one of the five justices of the First Court held in Hampshire in 1757. Isaac Millar, his son, born in Dunmore county, Va. in 1751, is credited with being the first importer of Short Horn Cattle from England in 1785. He also served in the First Continental congress along with Isaac Parsons, for which he re-

ceived the sum of 30 pounds as listed in his personal account book. In 1774 he was given a commission from Lord Dunmore as Surveyor for the State of Virginia. He was a justice in Hampshire in 1788. In 1777 he was married to Elizabeth See, whose grandmother, Elizabeth Harness, was the first white woman to set foot in the Valley of the South Branch of the Potomac.

Mrs. Orion King, Mrs. G. I. Nickerson and Mrs. George Foreman of Circleville are descendants, direct in line, of this ancestor. Many other members of the Millar family reside in this vicinity.

## GABBY TO CALL ON BRYANT TO STOP YANKEES

Young Speedball Artist Faces Monte Pearson In Third Game

(Continued from Page One)

ball toward the left field wall and it cleared the bricks by the narrow margin of a yard, giving the Yankees two runs and sending them out in front of the ball game.

Diz tugged at the bill of his blue cap and stayed in there and pitched, though, and it was not until the ninth that the hurricane blew him out of Wrigley field. Henrich, on the strength of a neat single, was on first base and up there at the plate waving a big yellow bat was 185-pounds of dynamite named Di Maggio. Up went old Diz' dead arm and in came the ball.

### Di Maggio Ends Dean

Crack! On the street beyond the left field wall at Wrigley field there is a yellow brick apartment house, five stories tall. It's just a guess, but that ball that Di Maggio hit probably bounced close against a second story window of that building after clearing the wall. That was the end of Diz for the afternoon, and for all time. Hartnett waved to the bull pen and Larry French came in to take up the burden.

Say this for old Diz—he took it with his chin in the air; he patted French on the back and went on that long, slow walk to the dugout through applause that was louder than any he ever heard on a winning day.

So the Yankees won the second game of the series on sheer power; won it the way they are supposed to win ball games—by dynamiting pitchers out of the box. But the measure of this great ball club—and wasn't it Joe McCarthy who called it the best team he had ever managed?—was that they won the opening game by playing National league baseball, tight, defensive baseball, that needs only two or three runs to win a game.

And that brings us to Frankie Crosetti, the slender Yankee shortstop who is so shy and modest he blushes if you hazard a guess that it's a nice day. There, brethren, is your World Series hero until the next box score comes in. In the opening game on Wednesday he saved the day three times with stops and throws in the general vicinity of second base that had the Cubs swearing that the ghost of Houdini was in the line-up against them. Yesterday all Crosetti did was come to bat in the eighth inning with the Yankees a run behind and lam out a homer that sent them a run ahead.

Lefty Gomez didn't finish the game for the Yankees yesterday but he stayed in long enough to get credit for the victory. It kept his World Series record unsullied. Six times Lefty has started series games and six times he has come home the winner. Waite Hoyt and Chief Bender, up until yesterday, were the only other pitchers who ever won six World Series games.

If it's comedy you're looking for, you should have had a load of the tumbling act that Hack and Jurgens put on in the second inning yesterday. Di Maggio was on second and Gehrig on first when Joe Gordon hit a ball, soft as a mother's heart, between second and third. Nobody is quite sure yet what happened, but it looked like Jurgens got a half Nelson and an arm lock on Hack and they wrestled to a decision while the ball dribbled out into left field for a double and two runs for the Yankees.

## NEWARK BEARS NEED ONE GAME TO GAIN TITLE

KANSAS CITY, Oct. 7—(UP)—The Newark Bears needed only one more victory today to retain the minor league baseball championship.

The Bears took a 3-2 lead in "Little World Series" when they defeated their Kansas City "farm cousins" 6-1 here last night. Joe Beggs scored his second victory in the best-of-seven series by holding the Blues to eight well distributed hits.

Newark batsmen collected but nine safeties, but they bunched them effectively, scoring two runs in the first inning, adding three more in the third. Washburn, Bonham and Piechota worked for the Blues.

If Newark wins tonight it will give the International league its second straight victory over the American Association, and create a 10-10 tie between the two circuits since the series began.

### STATION BEING BUILT

ements within our borders—propaganda and military and naval spying.

He observed that present federn machinery for rooting out the spy evil was not compact enough and indicated that the study pointed to the creation of a special agency to tackle the problem.

In response to questions at his regular Friday press conference, the President declared that spying in this country is being conducted on a much larger scale than it was 10 years ago, with activities of the foreign agents concentrated on the military establishments.

At present spy cases are handled by the federal bureau of investigation, the army and navy intelligence and some units of the treasury and state department.

## PLAY BOARD DISCUSSES LOCATIONS AND FINANCES

The Circleville Recreation board met Thursday night in the office of J. W. Adkins, Jr., for a preliminary discussion of ways and means of conducting a winter program under W. P. A.

The discussion concerned possible locations for the activities and finances. No definite decisions on either matter have been reached. Members of the board will contact various organizations and individuals during the next week to see what arrangements can be worked out for finances and obtain data on sites.

Another meeting of the board will be held next Thursday evening.

## WILLIAM GAINES HEARS 1-15 YEAR PRISON TERM

Sentence of one to 15 years in the Ohio penitentiary was imposed on William Gaines, 26, of Columbus, in Common Pleas court Thursday afternoon by Judge Meeker Terwilliger. A motion for a new trial was overruled by the court.

Gaines was recently convicted by a jury of a statutory charge, involving improper advances toward a Jackson township girl after offering her a ride from Columbus. Gaines had previously served a sentence in the Mansfield reformatory on a charge of breaking and entering.

## New Italian Marriage Restrictions Hit Jews

ous action of the British government. Sir Harold McMichael, high commissioner of Palestine summoned by airplane to London, conferred with Colonial Secretary Malcolm MacDonald on measures to put down fighting and to move toward a permanent settlement of the Palestine problem.

Sixty Arabs were killed in a six-hour battle with police and military aviators between Acre and Ras El Nakura, bringing the total of dead to almost 200 in a 24-hour period. The government has vainly been seeking a satisfactory method of dividing Palestine into separate Jewish and Arab states. Both Jews and Arabs have rejected the plans and the Jewish agency for Palestine last night denounced Arab proposals for stopping Jewish immigration and making the Jews a minority in the Holy Land.

### Drastic Move Possible

Losses to Britain—estimated at \$10,000 worth of railroad equipment on Wednesday night alone—due to the terroristic outbreaks have led to dispatch of unprecedented peace-time military forces to Palestine and have indicated that drastic action was impending.

Meanwhile, the reorganized Czech government appeared resigned to loss of further territory to Germany without a plebiscite.

Four areas were turned over outright to Adolf Hitler under terms of the Munich four-power agreement but the fifth area, probably as large as the first four combined, was to be divided by an international plebiscite into districts which would either be ceded to Germany or made the scene of a plebiscite.

The first four districts have been occupied by German troops and tomorrow they will begin moving into the fifth area which according to the Czechs, is being turned over by the international commission on a basis much more favorable to Germany than envisaged at Munich. It appears unlikely that plebiscites will be held and some districts where Czechs appear to be in a majority at present will go to the Reich because the German speaking population was in a majority before the World War.

Germany will gain about 3,200,000 population in the five areas and it is believed that later Hitler will have a plebiscite similar to the one in Austria after its annexation—when the vote was almost unanimous for Anschluss. About 300,000 Germans will remain in Czech territory but the German leaders are so confident that the future Czech republic will be in the Nazi orbit that they feel no fears for treatment of the minority.

The Prague government granted "autonomy within the state"

to the 3,000,000 Slovaks in Czechoslovakia, permitting them to have a separate cabinet and other officials. Prague also must soon settle Hungary's demands for return of territory including an area at the eastern tip of Czechoslovakia which would give Hungary and Poland a common frontier.

Elsewhere on the world front:

PARIS—Foreign Minister Georges Bonnet continued debate with the senate foreign affairs commission in regard to the Munich settlement and future negotiations for closer relations with Italy and Germany.

SPAIN—Prospects for ending the civil war continued slim despite apparent success of negotiations among Britain, Italy and France for withdrawal of foreign volunteers from Spain. It was understood that Italy was resisting efforts to persuade her to withdraw a large number of troops on the grounds that she still intends that the insurgents shall win.

## HOCKING COUNTY BOARDS TO AIR SCHOOL REVISION

The Hocking county school board and all district boards of the county will meet in the Common Pleas courtroom at Logan, Friday night, for a public hearing on school reorganization.

One of the matters for discussion will be the proposed transfer of the Laureville-Perry district of Hocking county to Pickaway county in connection with the tri-county school plan. The proposed district would include Saltcreek township, Pickaway county, and portions of Ross and Hocking counties. Plans included the erection of a school at the intersection of Routes 56 and 180 in Saltcreek township.

## STARS SAY—

For Friday, October 7

A RATHER lively, eventful and probably dramatic day is forecast from a long chain of interesting and intriguing planetary aspects. There are treacherous conditions to maneuver into sound channels and away from very dangerous disturbances. Strategy and shrewdness may be brought to bear on kindred methods of attack, a case of "dog eat dog" as it were. Personally there are splendid compensations, with much social or sentimental activity.

If This Is Your Birthday

Those whose birthday it is may find themselves confronted by a year of such subtle and perplexing conditions that their own intrigue, connivance and craftiness may be the only solution to menacing situations, plots or schemes. Drastic events are probable, with travel, change and disturbance. Shun recklessness and impetuosity and seek compensations in social, domestic or romantic affiliations. A child born on this day may have a rather dramatic way of doing things, being inclined to positive, drastic and audacious methods. It should have much determination, courage and enthusiasm, seeking an adventurous career. Yet, it should be sociable, friendly, gentle and have much personal appeal.

## GRAB BAG

One-Minute Test

1. What is the difference between the terms of "concave" and "convex"?  
2. What great commander outlawed beards among his soldiers, and why?  
3. It is possible to have sound in a vacuum?

Words of Wisdom

It is a law of our humanity that man must know good through evil.—No great principle ever tri-

umphed but through much evil.—No man ever progressed to greatness and goodness but through great mistakes.—F. W. Robertson.

Today's Horoscope

If you were born on this date you hate injustice above all things. You are generally successful in your undertakings because you demand that is yours by right, and justly, for your work always is good.

One-Minute Test Answers

1. A concave surface is curved like the interior of a circle or sphere; a convex like the exterior of same.  
2. Alexander the Great outlawed beards because they were often grasped by the enemy in battle.  
3. No.

# MINNESOTA'S GOPHERS DEFEND TITLE AGAINST SPEEDY PURDUE TEAM

## HOOSIERS MAY SMASH ILLINI FOOTBALL JINX

Much Improved Wisconsin Crew Takes On Iowa; Chicago To Lose

MICHIGAN "11" MIGHTY  
Notre Dame Moves South To Meet Georgia Tech In Important Fray

CHICAGO, Oct. 7.—(UP)—Mighty Minnesota makes the first defense of its Big Ten football title tomorrow as conference competition opens up on four fronts.

The week-end schedule pits Minnesota against speedy Purdue, Wisconsin against Iowa, Chicago against Michigan and Indiana against Illinois.

For all but Indiana, tomorrow's games will be the first of the 1938 Big Ten campaign. The Hoosiers inaugurated their conference schedule last Saturday when they were edged out 6-0 by Ohio State, the co-favorite with Minnesota for the 1938 championship. Ohio will concentrate its efforts this week on an inter-sectional battle with Southern California.

**Bucks First for Cats**

Northwestern, the other member of the corn-belt circuit, is the latest starter in the Big Ten race. The Wildcats, who walloped Kansas State last week and face Drake tomorrow, will not begin conference play until they take on Ohio State next week.

Standout among this week-end's battles is the one at Minneapolis where Purdue stakes its vaunted speed against Minnesota's crushing power. The Gophers, with victories over the University of Washington and Nebraska, were favorites to halt the Purdue challenge. It will be the first clash between the two teams since 1936 when Minnesota ground out a 3-0 triumph.

Coach Harry Stuhldreher, one of the late Knute Rockne's famed "Four Horsemen," moves a vastly improved Wisconsin eleven against Iowa, which will have the benefit of a needed rest after having been battered by U. C. L. A. two weeks ago. Iowa, banking on a revised backfield because of an injury to fullback Frank Balasz, goes into the game an underdog.

Michigan, with a new coach, new spirit and reputedly the best team in five years, figures to toss aside the threat of a University of Chicago team whose line is manned by inexperienced players. The Wolverines are tabbed as one of the teams to watch in the fight for the Big Ten title.

In the other conference game, Indiana runs up against Illinois and a long-standing hoo-doo. The Hoosiers play the Illini at Champaign, Ill., and haven't scored a victory there in 38 years. On paper, at least the sophomore-studded Indiana eleven stands its best chance to break the Illinois jinx.

**Irish Go South**

The Mid-West's most formidable power outside of the Big Ten—Notre Dame—clashes with Georgia Tech at Atlanta in another important inter-sectional struggle.

## CLARK PROMOTING BALL GAME FOR JAY HENRY

Fred C. Clark is promoting a baseball game to be conducted Sunday at 2:30 on the Columbus and Southern Ohio Electric Co. field as a tribute to Jay Henry, veteran ball player. Proceeds from the game, to be taken in a collection, will be given to Mr. Henry.

Clark is planning to have many ball players join Henry to play against a team headed by Raymond Smith.

A pleasant face and a courteous manner will usually protect you against discourtesies and rude conduct in others.

## 'Frisco's Italian Colony Celebrates Two Homers

By FILLMORE CALHOUN

SAN FRANCISCO, Oct. 7.—(UP)—San Francisco's Italian colony woke up today with groans from those who had drunk too deep of good red wine but smiles were on all faces at the first mention of "Di Mag" or that "Grande Bambino," Frank Crosetti.

The colony, clustered in the North Beach district and boasting a remarkable output of great athletes, really put on a celebration last night.

During the afternoon papa and mama and all the little bambinos squatted around the family radio. They "ohed" and "aned" up to the eighth inning, grudgingly admitting from time to time that Dix Dean was putting up a mighty fine pitching performance for the Chicago Cubs.

Then along came the eighth inning when Dean's arm began to give out and Crosetti came up with the home run that started the New York Yankees on their way to a 6-3 world series victory over Dean and the Cubs.

From the tightly-packed rows of apartment and flat buildings in North Beach came a collective cheer.

With the game over and the Yankees two up in the series count with the Cubs, the fellow countrymen of "Di Mag" and Crosetti poured out in the streets. They laughed, they clapped each other on the backs and from the upstairs windows the housewives shouted the good news to neighbors.

**Celebration Begins**

Shortly thereafter a celebration such as only Italians put on began in bars, restaurants and homes.

A telephone call at the Di Maglio home brought the information that "papa has mama and they are dancing around the room. Papa is shouting 'Hooray, we hit a big one.'"

No one answered the phone at the home of Crosetti's parents, Mr. and Mrs. Domenico Crosetti. A neighbor said they were out with friends and were probably still too excited to talk on the telephone anyway.

Far into the night the celebration continued with throngs packing Di Maglio's restaurant which looks out over the mooring place of scores of blue-hulled crab boats at fishermen's wharf.

The names of Di Maglio and Crosetti were on everyone's lips. Brave was the man who would offer any objections to claims the two North Beach boys were not the best ball players in the world.

Vernon (Lefty) Gomez, although not an Italian, came in for praise, too. He has a claim in San Francisco because he was graduated to the major leagues, from the San Francisco Seals.

There were other former coast league stars in the series, Myrl

COLUMBUS, Oct. 7.—The spectre of the Trojan War Horse will roll into Ohio State Stadium, Saturday, when Ohio State and Southern California meet in the remaining game of their home and home series.

To date each claim one victory in the present season, the Trojans over Oregon State and Ohio over Indiana. In their opening game two weeks ago, Southern California was overpowered by Alabama at Los Angeles.

Last year on the West coast in the initial meeting of the Trojans and Bucks, Coach Howard Jones' players turned in a one point victory over Ohio State 13 to 12. The Bucks are anxious to avenge this loss, the fourth one point defeat that Coach Francis A. Schmidt has suffered since he came to Ohio State in 1934.

**Gales, Sexton to Start**

Schmidt has made two changes in his starting lineup for Saturday's game. Charles (Pete) Gales will start at left guard replacing Vic Marino and Jim Sexton will replace Mike Kabealo as starting quarterback.

Scarlet hopes have been bolstered by the fact that Ambrose Schindler, Southern California fullback, will probably be unable to play. Schindler's splendid running efforts were mainly responsible for the Trojan victory last year. A knee operation last summer has kept "Ambling Amb" on the sidelines so far this season.

Schmidt has been drilling the Scarlet gridders hard all week in an effort to plug up obvious weaknesses which showed up in the Indiana tilt. Apparently satisfied with the work of the sophomores who started last week, he has added

## Guide Prepared For Chicagoans In Gotham

By HENRY McLEMORE

NEW YORK, Oct. 7.—(UP)—The Chicago Cubs reached New York today for a very brief stay.

They play the New York Yankees tomorrow and Sunday in what has been nick-named the World's Series. On Sunday they must return to their homes.

New York is so big and so confusing to a stranger that I thought it would be nice to prepare a guide book of the city for the benefit of the visitors from the West. The first two games of the World's series proved that it takes only about two hours for the Yankees to dispose of the Cubs. This leaves the Chicago players with about 22 hours a day on their hands. Where should they go? What should they see? Whom should they meet?

**Guide Prepared**

For the convenience of the mid-western visitors we herewith attach a guide to what O. Henry once called Bagdad on the Subway.

The battery—this is the finest battery in the world, which should be a distinct novelty to the Cubs. Here they may study at first hand the game fish which swims upstream. The Cubs naturally should have much in common with these strange specimens.

The Stork Club—this palace of pleasure was named after a bird that stands on one leg. It should interest the Cubs because they too have only one leg to stand on at this point.

Grant's tomb—here is buried the man who said he would fight it out if it took all Summer and the Cubs should be interested. It will take them all Winter to beat the Yankees.

Empire State building—on clear days visitors with high powered binoculars should be able to see a chance for the Cubs. This is practically impossible for the naked eye.

Bellevue hospital—while sight seeing here, look around for a comfortable cot for you may be there Monday. The familiar faces are fans who bet on the National league.

Brooklyn bridge—a good place to jump from.

George Washington bridge—a better place to jump from.

Riverside drive—this will be the first drive the Cubs have seen since they overtook the Pirates.

Holland tunnel—a good place to hide.

The Yankee stadium—you'll have to go here anyway, whether you like it or not.

ed another first year man to the starting lineup.

The five sophomores who will start against Southern California are Charles Maag, center; Bill Nosker, right guard; Jim Sexton, quarterback; Don Scott, left halfback; and Jim Langhurst, fullback. It is the largest assortment of sophomores that Schmidt has ever started in a major game for Ohio State.

Seats for the game have been going rapidly and only a few remain. A crowd of approximately 72,000 is predicted by Henry D. Taylor, director of ticket sales.

SCHOOL WRITER  
GETS "DUCKING"  
FOR EDITORIAL

CINCINNATI, Oct. 7.—(UP)—Richard Powell, University of Cincinnati newspaper columnist and the student reserve officers training corps called it a tie today after the columnist derided the mental qualifications of R. O. T. C. members and army men generally and was "ducked" in a park lake in return.

Tricked by Powell's comment that the "army and the R. O. T. C. are composed of a bunch of uneducated morons," some of the objects of his attacks decided on revenge. They caught up with him in the editorial rooms of the News Record, university paper, marched him to the park lake and commanded him to "keep on walking."

"The army and the R. O. T. C. are composed of a bunch of uneducated morons. The best argument for peace would be to let the voters watch the army drill. The local R. O. T. C. equipment is as antique as their chain of thought and a few boys with slingshots would put the whole army to flight."

## LUTHERAN MEN HAVE INITIAL OCTOBER MEET

The first October session of Trinity Lutheran Brotherhood was held Thursday evening in the parish house in E. Mound street, with R. L. Brehmer in charge of the meeting.

The devotionals consisted of two hymns: "My Faith-Looks Up to Thee" and "Savior Like a Shepherd Lead Me," with prayer and scripture reading from 15th chapter of First Corinthians, by the Rev. G. L. Troutman.

During the business meeting the brotherhood obligated itself to pay the balance on a new furnace recently installed in the parsonage.

Recess was declared for about a half hour, during which time H. Roy Stout and his committee served ham sandwiches, dill pickles, home made cookies and coffee.

When the meeting was again called to order, Chairman Brehmer presented Gladden Troutman who talked interestingly on his recent trip into Mexico, after which J. D. Hummel gave a resume of his recent Michigan fishing jaunt.

Current events were in charge of Karl J. Herrmann, who spent most of his allotted time on the Nazi-Czech affair.

The second scheduled meeting of October has been dropped, owing to Pumpkin Show.

The first November meeting will be held on Thursday evening, Nov. 3, at which time the Rev. G. J. Troutman will talk on "State of the Church in America." Geo. C. Griffith will put on a Professor Quiz program, with Supt. Frank Fischer as captain of the high school team and Edward Sensenbrenner as captain of the brotherhood team.

Stunts for the evening will be directed by the Rev. G. L. Troutman and Carl C. Leist will direct the singing. K. J. Herrmann and his committee will serve the lunch.

DUFFY TO NAME  
ANYONE ASKED  
TO AID DAVEY

COLUMBUS, Oct. 7.—(UP)—Attorney General Herbert S. Duffy informed Governor Davey today of his willingness to appoint as special counsel any lawyer the governor wishes to defend him in the mandamus suit pending in the state supreme court to force the administration to comply with state and federal requirements for management of the old age pension office.

Duffy has refused to defend the governor in the suit and any special counsel designated will be paid by the governor or by him and Mrs. Margaret Allman, welfare director, and Wray Stevens, chief of the old age pension office, both of whom also were made defendants.

COURT'S RULING  
ON BLOOD TEST  
TO BE APPEALED

COLUMBUS, Oct. 7.—(UP)—A court of appeals decision that blood tests are competent evidence in paternity cases probably will be carried to the Ohio supreme court, Prosecutor Ralph J. Bartlett of Franklin county said today.

The court of appeals here upheld the judgment of Judge Clayton W. Rose in granting a new trial to Harold Wright, 22, Columbus, accused of being the father of a girl baby born to Miss Opal Baxter, 22, Columbus.

A jury had found Wright guilty despite testimony of Dr. Harriet S. Hyman of Ohio State university that blood tests excluded Wright as the baby's father.

The decision written by Judge Frank W. Geiger of the appeals court and concurred in by Judges Joseph D. Barnes and Roscoe G. Hornbeck said:

"We are of the opinion that if, as testified by the expert, this science of blood grouping has been so developed and has proved so accurate that it is not only admissible but of very high value."

# EAGLES OPPOSE CUT IN PENSION FUND FOR OHIO

Lodge Votes Resolution Urging Uncle Sam To Continue Aid

COPIES GO TO CAPITAL

Agencies Asked To Iron Out Difficulties For Aged's Sake

Circleville's lodge of Eagles joined with other lodges throughout the state this week in adopting resolutions protesting removal of federal support from old age pensions in Ohio.

Copies of the resolutions were sent to President Roosevelt, Senators Robert J. Bulkley and Vic Donahey, and Congressman Harold K. Claypool.

The resolutions ask the federal and state agencies to iron out their difficulties. The 90,000 Eagles of the state were primarily responsible for the submission to the electorate of the old age pension law now on the statute books.

Ohio's 110,000 old age pensioners will receive only half of their customary allotment on Oct. 25 if the federal agency refuses to pay its share, as has been threatened unless changes are made in the state's method of handling the program.

# FIRE WARNINGS ISSUED TO SAVE DUCK GROUNDS

With the duck hunting season taking many hunters into the open, forest rangers and state conservation officers are again faced with the problem of protecting the breeding and nesting grounds of game birds and animals from fire.

"Most sportsmen are good woodsmen," said Lyle F. Watts, regional forester for the North Central region of the U. S. Forest Service. They exercise the same care with matches and cigarettes as they do with firearms but there are those few who need to be reminded that good hunting is dependent on adequate breeding and nesting grounds. Forest fires ruin hunting. Don't burn up the house and the home of the game birds and animals is the advice to the hunter by every good sportsman who is a good woodsman."

National Fire Prevention Week has been designated from October 9-15. At this time of the year the woods and the fields are usually dry and the records of the State and National Forests for the past five years show an increase of smoker-hunter fires during this period. This year the present indications are that the fire situation will be acute in the lake states unless heavy rains occur.

National Fire Prevention Week has been set aside to curb all man-caused fires.

# MAN WHO TOOK TRAIN ROBBERY LOOT INDICTED

TULSA, Okla., Oct. 7—(UP)—Grover H. "Burrhead" Keady, was under a federal indictment today charging him with receiving part of the loot taken in a \$37,000 train robbery at Garrettsville, O., in 1935.

Keady was arrested by postal inspectors and Tulsa police Monday and the indictment was returned against him yesterday. Harry Campbell, Alvin Karpis, Fred Barker and Ted Hunter, members of the old Barker-Karpis gang, were indicted in connection with the train robbery in Ohio.

Hunter is serving a sentence on the charge. Karpis and Campbell are serving life terms for kidnapping. Indictments growing out of the train robbery still stand against them.

# Action from Second World Series Game

RED ROLFE, Yankees' third baseman, goes out at first in the second game of the world's series at Wrigley Field, Chicago, when Dizzy Dean makes a nice play on his bunt down the first

base line and tosses to Rip Collins for the putout. The New Yorkers' big guns began to boom a few innings later and they took the second game from the Cubs, 6-3.

# 38 States Ask For Aid Of Red Cross In Year

During the last 1929 domestic disasters called for Red Cross aid in 266 counties in 38 states, Carl C. Leist, chairman of the Pickaway county Red Cross chapter, revealed in discussing the past year's work. At the same time he said a total of 108,589 persons had been aided by the Red Cross following these catastrophes.

"Types of disasters varied," Mr. Leist added. "There were floods, windstorms, tornadoes, explosions, and fires, all calling for Red Cross assistance, and following each of these disasters Red Cross workers remained on the scene until all victims had been aided in reestablishing themselves."

The local chairman said the most outstanding disaster of the year

fices from all over the country.

Other floods, he said, brought destruction in Washington, Idaho, Nevada, Michigan, Alabama, Louisiana, Arkansas, Missouri, Oklahoma, Texas, and New York. Following some of the floods in southern states garden seeds were distributed as one of the means of assisting affected families in rehabilitating themselves, although this aid was small compared to the assistance necessary in helping victims refurnish, repair, or rebuild ruined homes, and in caring for them during the emergency periods.

Tornadoes, he said, struck parts of Louisiana, Illinois, Kansas, Missouri, Oklahoma, Alabama, Mississippi, Pennsylvania, and Texas, all calling for extended relief operations, while a mine dis-

# WALKER ENTERS DENIAL IN CASE OF FRED TURNER

CHILLICOTHE, Oct. 7—Tra Walker, Negro barber, today had pleaded not guilty to a first degree murder charge in the shoot-

ing of Fred Turner, former Circleville man, on Aug. 24.  
Walker will be defended by Louis M. Day, appointed by the court.  
Edward Burt, Londonderry, indicted for shooting Ben F. Hunter, entered a similar plea and counsel was appointed for him.  
Turner was slain when he was walking over a shortcut from the Chillicothe business district to "White Heaven", a settlement. Walker contends that he slew Turner in self-defense after the ex-Circleville strawboard worker had attacked him.

**Star Performer ushers in new Style Cycle with stunning designs that keynote next year's mode**

It all started with "catwalk" cooling," on the costly racing cars of Europe.

They were shooting at better aerodynamics, not new styling—but they touched off something that will re-pattern cars everywhere before it's done.

Not that looks alone ever come first with Buick. What's really Buick is underneath all that, down deep in the good true metals, the split-hair precisions, the tough alloys.

But everyone goes for beauty, and you would be less than human if you didn't thrill to an eyeful of the smartest dressed automobile you ever saw.

So let your gaze take it in.

Spot the radiator grilles... down low. They're the key to new-day design.

They're also placed where air pressure's greatest—your engine cools under forced draft!

Under that comely bonnet is the engine with more abundant life—that quick quiet Dynaflex valve-in-head straight-eight!

Under that roomy Body by Fisher are the great slow spirals of BuCoil springing, to give you the true "full float" ride. And in that body, is new wide-paned visibility—up to
